

3016 (low)

WORK AND STUDENT CHAIR

Design Juha Lätti

The 3016 work chair combines compact size and simple, yet diverse, adjustments. The seat and back upholstery is protected with plastic selvage tape to protect it against abrasion in tight spaces. The chair 3016 is a great basic chair for work in any spaces.

The chair is equipped with backrest height adjustment mechanism. The seating height adjustment is enabled with gas spring. The wheels are with soft stop.

Materials and finishing

Upholstery	ISKU standard fabric collection
Cross base	Grey plastic or polished aluminum; either with castors or leg pads
Footrest	Polished aluminum

Dimensions

Width	480 mm
Depth	490-600mm
Height	690-980mm (adjustable)
Seating height	390-530mm

3016 (high)
