

Babe

MODULAR SOFA SYSTEM

Design Nea Vikström

Babe is a modular sofa system with state-of-the-art design and ultimate seating comfort. The soft-lined design is inspired by moss-covered, nature-shaped stones and boulders. The special feature of the design language of the sofa is that each piece is upholstered so that the parts can be detached and joined freely and conveniently repositioned. Babe is an excellent choice for anyone who desires high quality seating with tailored solutions.

Babe
