

Big Hug

EASY CHAIR

Design Mika Tolvanen

Big Hug is an impressive armchair for both homes and public lounges. It is the winner of the Finland 100 Furniture Design Competition in 2017.

As the name implies, Big Hug is an open recliner for a comfortable stay that hugs its user. The armrests of the chair also provide a sheltered place for a moments of rest or work.

Materials and finishing

Big Hug is completely upholstered. The seat frame is made of thermoformable Grada wood material

The legs are made of chrome-plated or painted steel pipe. Also wooden legs are available.
