

Solt

TABLE

Design Petteri Häkkinen

Solt is a graceful and versatile table with timeless design and a modern Scandinavian look. The table is available in two different heights, which allows the table to be used separately or side by side to create a layering for the interior. The table is available with different sizes of tabletops and with a wide range of materials.

The Solt product family also includes an easy chair and a footstool.

Materials and finishing

Frame Powder coated steel (white, grey, black) or chrome

Tabletop High pressure laminate (white, light grey, dark grey, black, birch, oak), nanolaminate (black), veneer (ash, beech, birch, oak) or technical veneer (LN, PLY). ISKU standard stain colours available.
